PAYNE DELEGATE

Michael Payne, a Business Teacher Education major at NHC, recently attended a Dallas, Texas convention of the Student National Education Association. Mike serves as president of the statewide Student New Hampshire Education Association and attended the national convention as the official delegate of the state association. Mike, a resident of Methuen, will be a May 26 graduate.

NEW GYM POLICY

A new gym policy went into effect on February 10 because so many students on the NHC campus wanted to use the gym and couldn't since outsiders were using it. The policy is as follows:
Effective February 10, at all times only NHC members and their bona fide guests will be allowed to use the gym.

Men occasionally stumble over the truth, but most of them pick themselves up and hurry off as if nothing had happened.

Sir Winston Churchill
